Next Meeting: **August 15, 2019 6:00 PM**

Volume: 38 Issue: 8

Sugarhouse Park, 1330 E. 2100 S., Sego Lily Pavilion

Hello Everyone,

I would like to say thank you everyone in attendance at last month's meeting and a big thanks to Jonny Player for his presentation on bottle and bottle digging.

This month we have our annual picnic as we close out the summer. Your assignments of what to bring will be in a section of the newsletter or attachment. Date, time and location are in the attached flyer. You will need to bring your own meat to cook. Bring your own cooking utensils and seasonings. The club will provide paper plates, eating utensils, and drinks.

There will be no finds of the month. We will have a drawing for 10 Morgan Silver Dollars. One dollar for each ticket and you may purchase as many as you would like. Also we have planned our detector rally. We will do this as soon as everyone is done eating. The rules for the rally are that any kids 12 and under will have the first opportunity to find one numbered tag per person, if they have never metal detected or are in need of assistance one adult can assist. There will be a section of the detector rally just for kids just to find other items besides the numbered tags. Once each kid has found one numbered tag and an item in the kids section then the adults will be able to begin. I will announce the start for the adults. Please remember that there should only be one numbered tag per adult. There will be a total of 50 numbered tags to be exchanged for a prize corresponding to that number.

We look forward to seeing everyone out to the picnic and a great experience of food, friends, finds, and fun.
